

[vc_row][vc_column][vc_column_text]**Das freie Online-Magazin des britischen Unterwasserfotografen Peter Rowlands erscheint auch im zweiten Corona-Jahr. Bereits in der 118. Auflage präsentiert es wieder Neuigkeiten, Berichte und Meinungen rund um die Unterwasserfotografie.**

Das Underwater Photography Magazine (UWPmag) ist wie immer kostenlos als PDF-Datei aus dem Internet herunterladbar. Lediglich die unverbindliche Registrierung der eigenen E-Mail-Adresse erbitten die Macher.
